An aerial photograph of a two-lane asphalt road winding through a dense forest. The trees are in various stages of autumn, with colors ranging from deep green to bright orange and red. The road curves from the top right towards the bottom right. A small white car is visible on the road in the lower right quadrant.

**Moving does not have to feel
overwhelming.**

**With the right plan in place, you
can stay organized, avoid last
minute stress, and make the entire
process smoother from start to
finish.**

**This checklist walks you through
exactly what to do, when to do it,
and how to stay on track during
your move in the Triangle.**
